To convert your Precious Moments® project to reflect other races, may we suggest the following color options for skin, hair and eyes. For better coverage, we suggest using 3 strands to cross stitch hair and 1 strand to backstitch 14ct./28ct. fabrics.

	Skin	Cheeks	Backstitch	Hair	Eyes
Light Flesh Tones	951	945	Face-3863 Eyes, Nose, Mouth-938 Hair-3371	938 & 3371	434 & 938
Medium Flesh Tones	950	758	Face-632 Eyes, Nose, Mouth-938 Hair-3371	898 & 938	434 & 938
Dark Flesh Tones	407	758	Face-632 Eyes, Nose, Mouth-938 Hair-3371	3371	434 & 938 or 3371 only

Loop Method: (To use any time an even number of floss strands is called for --2, 4, or 6). When two strands are required, take one strand 30" long and fold it in half. Thread the needle and pull the loop end lower than the 2 cut ends. Bring the needle up through the fabric until the cut ends appear. (Fig.1) As the needle goes back through to make the first half cross, take the needle through the loop (Fig. 2) and it will **lock**, leaving no **tail** on the back of the fabric.

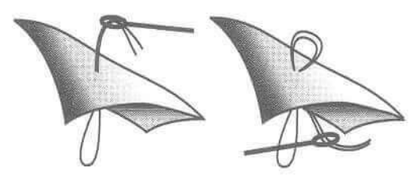

Fig. 1 Fig. 2

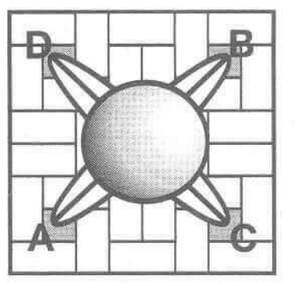
How To Add Beads:

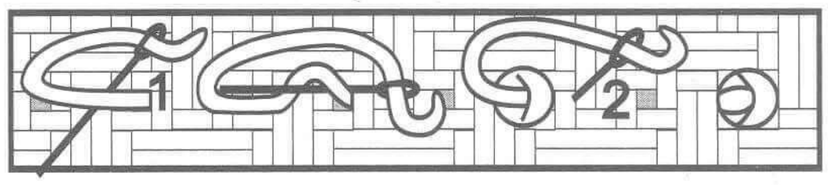


Add beads to your project after all other stitching and any necessary laundering is done. A #28 Tapestry needle or a beading needle is required for adding small beads. Use the loop method (see Figs. 1 & 2) to anchor one doubled strand of floss on the back of the project. Use the color of floss indicated in parentheses where beads are listed.

Bring the needle up where indicated on the chart by the symbol for beads (A) and pass through the bead (B). Pass through the fabric and then, if this is the beginning of the new thread, through the loop to anchor the thread (Fig. 1 & 2). Next, bring the needle up as if to cross a stitch (C), pass through the bead again and go down through the fabric (D) and anchor with a small securing stitch on the back.

French Knot

Use one strand of floss and bring the needle up where indicated on the chart by a dot where the chart lines intersect.



Wrap the needle 1 time with the floss. Hold the floss tightly as you insert the needle back into the fabric 1 thread left or right of the hole. Pull through to form a small knot on top of the fabric.

Instructions For Eyes

When instructions read: "Add a little white stitch to eyes with 1 strand where marked ." , make a short stitch that just covers the intersection.
